---

## **EDUCATION**

2005-2009: Rosalind Franklin University of Medicine and Science – North Chicago, IL  
D.P.M. – Doctor of Podiatric Medicine  
2001-2004: University Of California, Los Angeles – Los Angeles, CA  
B.S. – Physiological Science – *Cum Laude with College Honors*

## **RESIDENCY**

2009-2012: Podiatric Surgery, Cedars-Sinai Medical Center – Los Angeles, CA  
*Chief Resident for 2011-12 academic year*  
Affiliated institutions: Amputation Prevention Center – Los Angeles, CA  
Kaiser Permanente – West Los Angeles Hospital

## **FELLOWSHIP**

***Advanced Wound Care / Diabetic Limb Salvage / Reconstructive Foot and Ankle Surgery***  
2012-2013: Amputation Prevention Center – Los Angeles, CA  
Western University College of Podiatric Medicine – Pomona, CA  
(Faculty mentors: Lee C. Rogers DPM, Lawrence Harkless DPM, and George Andros MD)

## **CERTIFICATION/LICENSURE**

Board Certified – American Board of Podiatric Medicine (Expires: 31 October 2024)  
***Certificate of Added Qualification – Amputation Prevention and Wound Care***  
State of California, Board of Podiatric Medicine – License #E4977 (Expires: 31 July 2021)  
State of California, Radiology and Fluoroscopy Supervisor and Operator – License #RHD0020001  
(Expires: 30 June 2021)  
Basic Life Support – American Red Cross (Expires: 30 Nov 2021)  
Advanced Cardiac Life Support – American Red Cross (Expires: 30 Nov 2021)

## **PROFESSIONAL COMMITTEES**

2019-present: Los Angeles County Podiatric Medical Association  
*Executive Board*

2015-present: American Board of Podiatric Medicine  
*Examination Writing Committee*

2015-2017: Council on Podiatric Medical Education  
*Residency Program Review Committee – Residency Program Evaluator*

## **HOSPITAL/UNIVERSITY AFFILIATIONS**

### **Academic Appointments:**

2012-Present: Cedars-Sinai Medical Center – Los Angeles, CA  
*Attending Teaching Faculty – Department of Surgery, Division of Podiatric Surgery*

2012-Present: Western University of Health Sciences – Pomona, CA  
*Clinical Instructor of Podiatric Medicine and Surgery*

### **Attending Staff:**

2013-Present: Sherman Oaks Hospital – Sherman Oaks, CA  
*Chief – Division of Podiatry*  
*Associate Director – The Center for Reconstruction and Wound Healing*

2013-Present: Encino Hospital Medical Center – Encino, CA

2012-Present: Cedars-Sinai Medical Center – Los Angeles, CA

2018-Present: Centinela Hospital Medical Center – Inglewood, CA

2012-2017: Valley Presbyterian Hospital – Van Nuys, CA

## **PUBLICATIONS/ABSTRACTS**

Bedrossian M, **Pougatsch DA**, Kohanzadeh S. Dehydrated Amniotic Membrane Allograft Promotes Healing of Complex Wounds. Oral Abstract Presentation – Southwestern Surgical Congress. April 16, 2019 – Huntington Beach, CA.

Bedrossian M, **Pougatsch DA**, Kohanzadeh S. Dehydrated Amniotic Membrane Allograft Promotes Healing of Complex Wounds. Oral Abstract Presentation – Southern California Chapter, American College of Surgery Annual Meeting. January 26, 2019 – Santa Barbara, CA.

**Pougatsch DA**, Shum KC. Reverse Sural Artery Adipofascial Turn-down Flap for Ulcerations with Achilles Exposure. *Podiatry Management*. April/May 2018. 129-31.

**Pougatsch DA**, Kohanzadeh S. Dehydrated Amniotic Membrane Allograft to Heal Complex Lower Extremity Wounds of Various Etiologies. Poster abstract presented at the Symposium on Advanced Wound Care (SAWC) - October 20-22, 2017 – Las Vegas, NV

**Pougatsch DA**, Rader A, Rogers LC. The Use of a Sea Salt-based Spray for Diabetic Foot Ulcers: A Novel Concept. *Wounds*. 28:11, Nov 2016. Epub.

Kohanzadeh S, Scigliuto S, **Pougatsch DA**. Human Amniotic Membrane Allograft to Treat Difficult Wounds. Poster abstract presented at the Symposium on Advanced Wound Care (SAWC) - October 7-9, 2016 – Las Vegas, NV

**Pougatsch DA**, Shum KC, Kohanzadeh S, Rogers LC. Autologous Epidermal Skin Grafting for Superficial Wounds in a Variable Patient Population: A Case Series. Poster abstract presented at World Union of Wound Healing Societies meeting – September 26-29, 2016 – Florence, Italy

Nuguid PC, **Pougatsch DA**. Important pre-, peri-, and post-operative considerations for diabetic foot surgery. *Podiatry Management*. Accepted.

**Pougatsch DA**, Shum KC, Kohanzadeh S, Rogers LC. Autologous Epidermal Skin Grafting for Superficial Wounds in a Variable Patient Population: A Case Series. Poster abstract presented at the Symposium on Advanced Wound Care (SAWC) - September 26-28, 2015 – Las Vegas, NV

**Pougatsch DA**, Kohanzadeh S, Shum KC, Rogers LC. Human Amniotic Membrane Allograft to Treat Wounds with Exposed Bone and Tendon. Poster abstract presented at the Symposium on Advanced Wound Care (SAWC) - September 26-28, 2015 – Las Vegas, NV

Kohanzadeh S, Scigliuto S, **Pougatsch DA**. The Use of Human Amnion/Chorion Membrane Allograft for Complex Hand Reconstruction and Limb Salvage. Poster abstract presented at the Symposium on Advanced Wound Care (SAWC) - September 26-28, 2015 – Las Vegas, NV

Corpuz M, **Pougatsch DA**. Ultra-rare neoplasms as a consequence of non-healing chronic diabetic foot ulcers. *Podiatry Management*. August 2015. 34(6): 89-92

**Pougatsch DA**, Shum KC, Rogers LC, Belczyk RJ. Transmetatarsal Amputation to Preserve Prosthesis-Free Ambulation: A Series of 50 Consecutive Ischemic Diabetic Foot Ulcerations. Oral abstract presented at American Podiatric Medical Association Annual Scientific Conference – July 24-27, 2014 – Honolulu, HI.

**Pougatsch DA**, Shum KC, Belczyk RJ, Rogers LC. Human Amniotic Membrane Allograft to Treat Diabetic Foot Ulcers with Exposed Bone and Tendon. Abstract presented at Symposium on Advanced Wound Care – April 24-27, 2014 – Orlando, FL.

Shum KC, **Pougatsch DA**, Rogers LC, Belczyk RJ. Case Series of 46 Transmetatarsal Amputations in Those Facing a Below-Knee Amputation. Abstract presented at American College of Foot and Ankle Surgeons – February 26-March 1, 2014 – Orlando, FL.

Shum KC, **Pougatsch DA**, Rogers LC, Belczyk RJ. Outcomes of Charcot Reconstruction in Complex Patients with Type 2 Diabetes Previously Offered Amputation. Abstract presented at Diabetic Limb Salvage Conference at Georgetown University Hospital – October 10-12, 2013 – Washington, DC

**Pougatsch DA**, Shum KC, Belczyk RJ. Topical Botanical Ointment as an Alternative Treatment for Non-healing Lower Extremity Ulcerations of Various Etiologies: A Case Series. Abstract presented at Symposium on Advanced Wound Care (SAWC) – September 27-29, 2013 – Las Vegas, NV

Belczyk RJ, **Pougatsch DA**, Sung W, Rogers LC. A Case Report for Treatment of Osteomyelitis of the Great Toe in a Patient with Diabetes using the Extended Reverse Flow Extensor Digitorum Brevis Muscle Flap. *J Diab Foot Comp*. Aug 2013 ; 5(2):48-54.

**Pougatsch DA**. Review of: A. Dabbagh, H. Elyasi, S.S. Razavi, M. Fathi, and S. Rajaei. Intravenous Magnesium Sulfate for Post-operative Pain in Patients Undergoing Lower Limb Orthopedic Surgery. *Acta Anaesthesiologica Scandinavica*. (2009) 53: 1088-1091. Scientific Literature Reviews. American College of Foot and Ankle Surgeons. Online Educational Resource. Mar 2010.

**Pougatsch DA**, Nassau KA, Fichter JE. Case Study of the Biomechanical Effects of an Isolated Talonavicular Fusion. Rosalind Franklin University of Medicine and Science. March 2007.

## **CLINICAL RESEARCH**

2013-2018: Continuous case series of epidermal skin autografting for lower extremity wounds of various etiologies.

2013-2017: Large continuous case series of using dehydrated amnion/chorion allograft for lower extremity wounds with exposed bone and tendon

2012-2015: Case Series of 50 Consecutive Transmetatarsal Amputations – Preserving Length and Function: A Perspective from the Vascular and Podiatric Surgeon

2012-2014: Evidence-based Development of an Algorithm for Operative vs. Non-operative Treatment for Charcot Foot

2012-2014: Case Series of 13 Consecutive Charcot Foot and Ankle Reconstructions with Multi-planar External (Ilizarov) Fixator

2012-2013: WinVivo® Topical Botanical Wound Ointment for Lower Extremity Ulcers – Prospective Case Series (Disclosure: No financial relationship with WinVivo)

2003-2005: UCLA Olympic Analytical Laboratory – Research Assistant on rHuEPO Analytical Testing  
Principal Investigators: Don Catlin, MD and Gary Green, MD

## **TELEVISION/RADIO/PRINT MEDIA APPEARANCES**

8 November 2016: Complex Wound Care and New Surgical Developments  
**Sherman Oaks Patch Newspaper**

29 May 2014: New Advances in Skin Grafting: Saving Limbs with New Technological Breakthrough  
***Al-Jazeera International: The Cure***

Jan 2014: Young Physicians' Accomplishments  
***APMA News***

## **SPEAKING ENGAGEMENTS**

29 April 2019: ***Coding 101 for Diabetic Foot Ulcers*** – AAPC Healthcon – Las Vegas, NV

22 June 2018: ***Grafts and Flaps for Diabetic Foot and Ankle Reconstructive Surgery and Total Contact Casting for Offloading Diabetic Foot Ulcers*** – Western Foot & Ankle Conference – Anaheim, CA

19 April 2018: ***Grafts and Flaps for Diabetic Foot and Ankle Reconstructive Surgery and Total Contact Casting for Offloading Diabetic Foot Ulcers*** – Phoenix, AZ

12 April 2018: ***Grafts and Flaps for Diabetic Foot and Ankle Reconstructive Surgery***  
Kansas City, MO

15 December 2017: ***Complex Diabetic Foot Reconstructive Surgery***  
Shanghai SIPO Polytechnic School of Health Sciences – Shanghai, China

21 October 2017: ***Diabetic Foot Ulcers: Continuum of Care***  
Symposium on Advanced Wound Care – Las Vegas, NV

10 June 2017: ***Grafts and Flaps for Diabetic Foot and Ankle Reconstructive Surgery***  
Phoenix, AZ

9 June 2017: ***Offloading the DFU: The Consensus Document***  
Phoenix, AZ

31 May 2017: ***Grafts and Flaps in the Foot and Ankle: Maximizing Foot Salvage***  
*Joint Lecture: Society for Vascular Surgery and American Podiatric Medical Association*  
Society for Vascular Surgery Annual Meeting – San Diego, CA

26 June 2016: ***Revisiting the Old Way of Managing Defects: What's New in Skin Grafting?***  
The Western Foot and Ankle Conference – Anaheim, CA

26 June 2016: ***Charcot Arthropathy vs. Osteomyelitis***  
The Western Foot and Ankle Conference – Anaheim, CA

13-15 May 2016: ***Epidermal Skin Grafting to Heal Wounds in a Difficult Patient Population***  
*Acelity*® Make Better Summit – La Jolla, CA

5 May 2016: ***Amnion/Chorion Membrane for Advanced Wound Care and Surgical Applications***  
Austin, TX

- 30 April 2016: ***Dehydrated Amnion/Chorion Membrane to Treat Difficult Wounds in a Difficult Patient Population***  
Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA
- 30 April 2016: ***The ConSENSEus Document for Offloading Diabetic Foot Ulcers***  
Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA
- 14 December 2015: ***Negative-Pressure Wound Therapy to Heal Complex Lower Extremity Wounds in the Diabetic Population***  
Capital Hospital 306 of the People's Liberation Army – Beijing, China
- 11 December 2015: ***Importance of Nursing: Working in a Diabetic Foot Center / Wound Center***  
Shanghai SIPO Polytechnic School of Health Sciences – Shanghai, China
- 10 December 2015: ***Principles in Setting up a Multi-disciplinary Limb Salvage Center***  
Shanghai TCM / Western Medicine Integrated Hospital – Shanghai, China
- 15 November 2015: ***Hands-on laboratory - Skin Substitutes***  
Academy of Continuing Podiatric Medical Education – Los Angeles, CA
- 15 November 2015: ***Skin Substitutes in the Management of Wound Closure***  
Academy of Continuing Podiatric Medical Education – Los Angeles, CA
- 15 November 2015: ***Principles of Wound Care***  
Academy of Continuing Podiatric Medical Education – Los Angeles, CA
- 22 October 2015: ***The ConSENSEus Document for Offloading Diabetic Foot Ulcers***  
SuperBones SuperWounds West – Las Vegas, NV
- 22 October 2015: ***Coverage Over Bone and Tendon for Diabetic Foot Ulcers***  
SuperBones SuperWounds West – Las Vegas, NV
- 21 October 2015: ***Wound Care 101 – Department of Medicine Grand Rounds***  
Cedars-Sinai Medical Center – Los Angeles, CA
- 16 May 2015: ***Dehydrated Amnion/Chorion Membrane to Treat Difficult Wounds in a Difficult Patient Population***  
Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA
- 15 May 2015: ***Offloading in the Diabetic Foot: What the Evidence Tells Us***  
Podiatric Residency Summit Midwest – Chicago, IL
- 2 December 2015: ***Diabetic Foot Ulcerations, Reconstructive Surgery, Wound Care, and Skin Grafting***  
Shanghai SIPO Polytechnic School of Health Sciences – Shanghai, China
- 28 November 2015: ***The Daily Life in a Comprehensive Multi-specialty Amputation Prevention Center***  
Shanghai TCM / Western Medicine Integrated Hospital – Shanghai, China
- 16 August 2014: ***Total Contact Casting for Diabetic Foot Ulcers: The Gold Standard***  
Podiatric Residency Summit East – Teaneck, NJ

- 25 July 2014: ***Time is Tissue: The Urgency of Revascularization in the Ischemic Diabetic Foot***  
*Joint Lecture: Society for Vascular Surgery and American Podiatric Medical Association*

## **COURSE FACULTY**

28-30 Apr 2019: AAPC Healthcon Annual Conference – Las Vegas, NV  
31 May – 3 June 2017: Society for Vascular Surgery Annual Conference – San Diego, CA  
23-26 June 2016: Western Foot and Ankle Conference – Anaheim, CA  
30 April 2016: Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA  
13-15 December 2015: Beijing Society of Endocrinology/Diabetes Annual Conference – Beijing, China  
10-11 December 2015: Symposium on Diabetic Foot Ulcerations – Shanghai, China  
15 November 2015: Academy of Continuing Podiatric Medical Education – Los Angeles, CA  
22-24 October 2015: SuperBones SuperWounds West – Las Vegas, NV  
16 May 2015: Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA  
15-17 May 2015: Podiatric Residency Summit Midwest – Chicago, IL  
28 November-2 December 2014: Symposium on Diabetic Foot Ulcerations – Shanghai, China  
15-17 August 2014: Podiatric Residency Summit East – Teaneck, NJ  
24-27 July 2014: American Podiatric Medical Association Annual Scientific Conference – Honolulu, HI  
30 May – June 1 2014: Podiatric Residency Summit Midwest – Chicago, IL  
21-23 March 2014: SuperBones East Conference – Orlando, FL  
26-27 July 2013: External Ring Fixation Application Course – Pittsburgh, PA  
20-23 June 2013: Western Foot and Ankle Conference – Anaheim, CA  
20-23 March 2013: Diabetic Foot Global Conference (DFCon) – Los Angeles, CA  
1-3 Feb 2013: External Ring Fixation Application Course – Las Vegas, NV  
5 May 2012: Office Orthopaedics Conference @ Cedars-Sinai Medical Center – Los Angeles, CA  
15 May 2010: Office Orthopaedics Conference @ Cedars-Sinai Medical Center – Los Angeles, CA

## **COURSES/CONFERENCES ATTENDED**

8-9 February 2020: Present Treasure Hunt – Los Angeles, CA  
24-26 October 2019: SuperBonesSuperWounds West – Las Vegas, NV  
28-30 April 2019: AAPC Healthcon – Las Vegas, NV  
26-27 January 2019: Present Treasure Hunt – Los Angeles, CA  
21-24 June 2018: Western Foot and Ankle Conference – Anaheim, CA  
20-22 October 2017: Symposium on Advanced Wound Care – Las Vegas, NV  
31 May – 3 June 2017: Society for Vascular Surgery Annual Conference – San Diego, CA  
7-9 October 2016: Symposium on Advanced Wound Care – Las Vegas, NV  
23-26 June 2016: Western Foot and Ankle Conference – Anaheim, CA  
30 April 2016: Annual Wound Care Symposium at California School of Podiatric Medicine – Oakland, CA  
13-15 December 2015: Beijing Society of Endocrinology/Diabetes Annual Conference – Beijing, China  
10-11 December 2015: Symposium on Diabetic Foot Ulcerations – Shanghai, China  
15 November 2015: Academy of Continuing Podiatric Medical Education – Los Angeles, CA  
22-24 October 2015: SuperBones SuperWounds West – Las Vegas, NV  
26-28 September 2015: Symposium on Advanced Wound Care – Las Vegas, NV  
16 May 2015: CSPM Annual Wound Care Symposium – Oakland, CA  
15-17 May 2015: Podiatric Residency Summit Midwest – Chicago, IL  
30 April – 3 May 2015: Symposium on Advanced Wound Care – San Antonio, TX  
28 November-2 December 2014: Symposium on Diabetic Foot Ulcerations – Shanghai, China  
16-18 October 2014: Symposium on Advanced Wound Care – Las Vegas, NV  
11-13 September 2014: SuperBones West Conference – Las Vegas, NV  
15-17 August 2014: Podiatric Residency Summit East – Teaneck, NJ  
24-27 July 2014: American Podiatric Medical Association Annual Scientific Conference – Honolulu, HI  
30 May – June 1 2014: Podiatric Residency Summit Midwest – Chicago, IL  
24-27 April 2014: Symposium on Advanced Wound Care – Orlando, FL

28-30 March 2014: SuperBones East Conference – Orlando, FL  
27-29 Sep 2013: Symposium on Advanced Wound Care – Las Vegas, NV  
2-3 Aug 2013: Arthroscopy Techniques for Foot and Ankle (ACFAS Course) – Chicago, IL  
26-27 July 2013: Advanced Techniques in External Fixation – Pittsburgh, PA  
22-25 July 2013: American Podiatric Medical Association Annual Scientific Conference – Las Vegas, NV  
20-23 June 2013: Western Foot and Ankle Conference – Anaheim, CA  
20-23 March 2013: Diabetic Foot Global Conference (DFCon) – Los Angeles, CA  
11-14 February 2013: American College of Foot and Ankle Surgeons Annual Conference – Las Vegas, NV  
1-4 November 2012: Chicago Lower Extremity Surgical Foundation Limb Salvage/Flap Course - Chicago, IL  
11-14 October 2012: Diabetic Limb Salvage Conference – Georgetown University, Washington, DC  
7-10 June 2012: Western Foot and Ankle Conference – Anaheim, CA  
15-17 March 2012: Diabetic Foot Global Conference (DFCon) – Los Angeles, CA  
7-10 September 2011: AO North America Podiatric Course – La Jolla, CA  
20-23 October 2011: SuperBones West Conference – Las Vegas, NV  
27 August 2011: KCI Bioskills Workshop – Valley Presbyterian Hospital, Van Nuys, CA  
21-24 October 2010: SuperBones West Conference – Las Vegas, NV  
5 December 2009: “Subtalar implant for flatfoot reconstruction”, “Total arthroplasty of MPJ”,  
“Hammertoe correction” – Western University of Health Sciences, Pomona, CA

## **MEMBERSHIPS**

2012-Present: American Podiatric Medical Association  
2012-Present: California Podiatric Medical Association  
2012-Present: Los Angeles County Podiatric Medical Association  
2009-2012: Cedars-Sinai Medical Center Housestaff Association  
2006-Present: Pi Delta (Durlacher chapter) National Podiatric Honor Society  
2005-2009: Alpha Gamma Kappa Podiatric Fraternity  
2003-Present: Golden Key International Honour Society
